Search [UP Library Search](#) to find books (and other items) available from the Clark Library collection, as well as books you can borrow from other libraries.

After you check out books, go to [My Account](#) to renew books and avoid fines!

For the topic “environmental effects of global warming,” enter 2-3 terms that describe the main concepts of this topic: **Global warming environment**

Select **UP + Summit** to search for books.

For more search options, try the **Advanced Search**.

University of Portland

Browse Search

You can choose to limit your search by:

- Items available in the library
- Resource Type (e.g. book)
- Date (Year)
- Language
- and more

Most relevant items (not necessarily owned by University of Portland) will be listed first.

Use the * symbol to search for variations of a word.

environment* finds environment, environments, environmental, etc.

Results 11 - 20 of 1,393 for **UP + Summit** Sorted by: Relevance
