

[Films on Demand](#) offers nearly 10,000 streaming videos available from the Films for the Humanities and Sciences, and you can search this database and upload videos within your Moodle course page.

Here’s how to add videos in Moodle’s current theme, AKA “Aardvark.” To add videos to Moodle’s “Snap” theme, see page 3 of this handout.

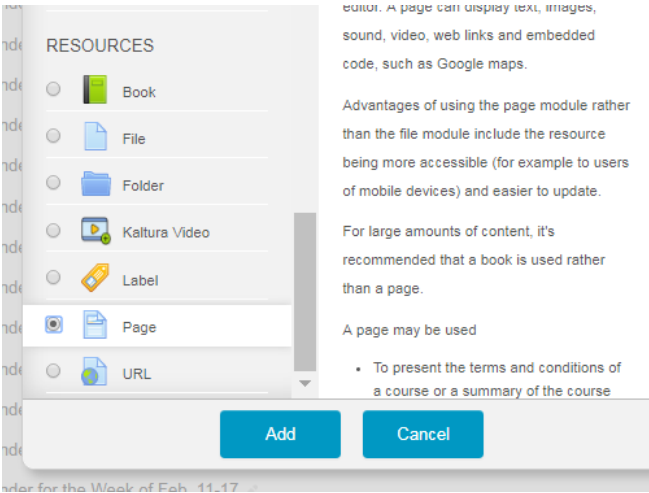

1. Turn editing on.

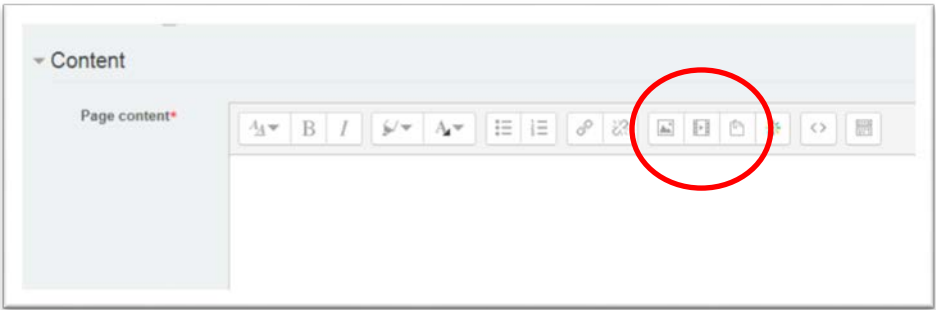

2. In the Week or Topic where you want the video to be available, select “Add an activity or resource.”

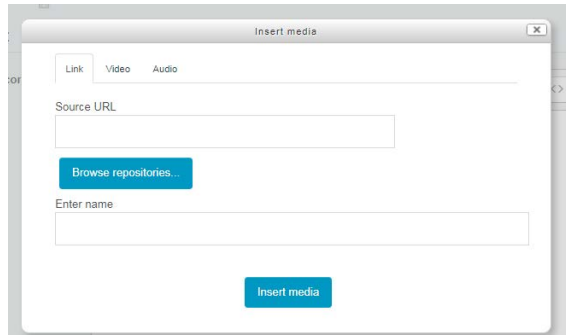

3. From the “Resources” list, select “Page” and then the “Add” button.

4. Give the page a name, and then select the “Media” option in the Page Content editor.

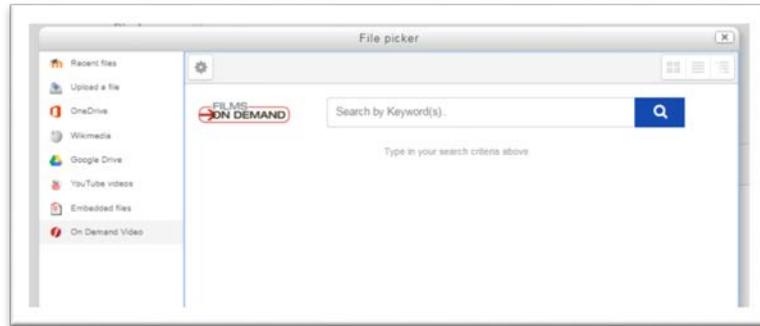

5. Select “Browse repositories...”

6. ...and then “On Demand Video.”
You’ll see a search box for Films on Demand.

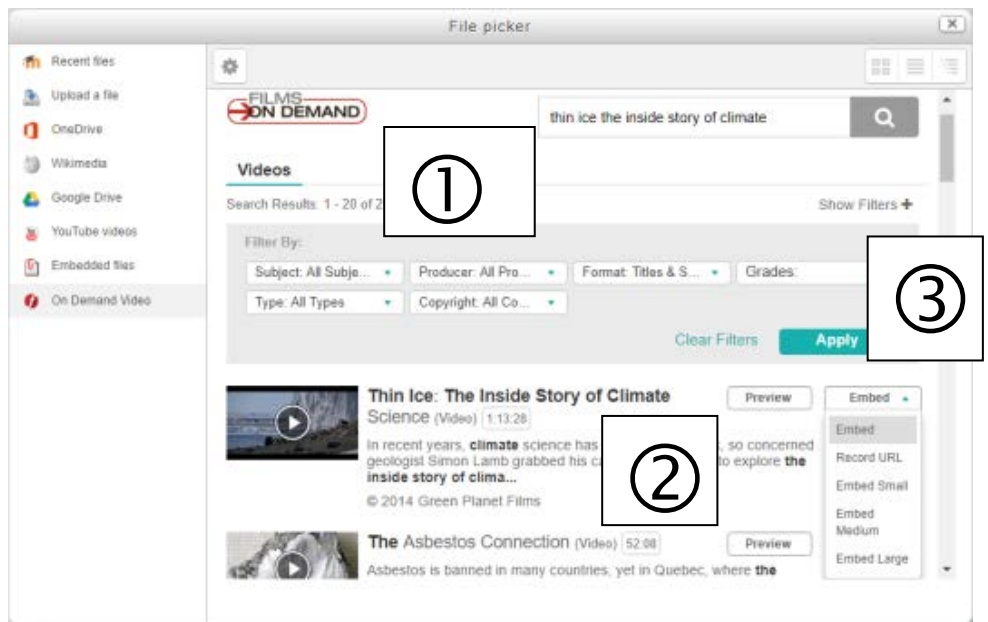

Search for your topic or the title of the video.

7. After you search, you can
(1) further narrow your search

- (2) preview videos

- (3) embed videos – Clark Library recommends the “Embed Small” option.

8. When you’re ready to embed a video, select “Embed Small” and then “Select this file.”

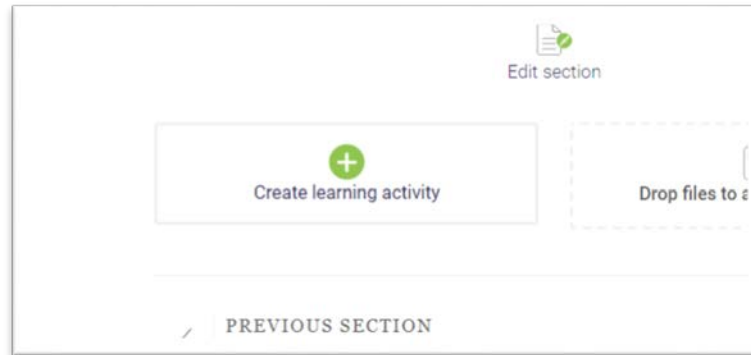

9. Select the “Insert Media” button. Save your work, and your video is now linked.

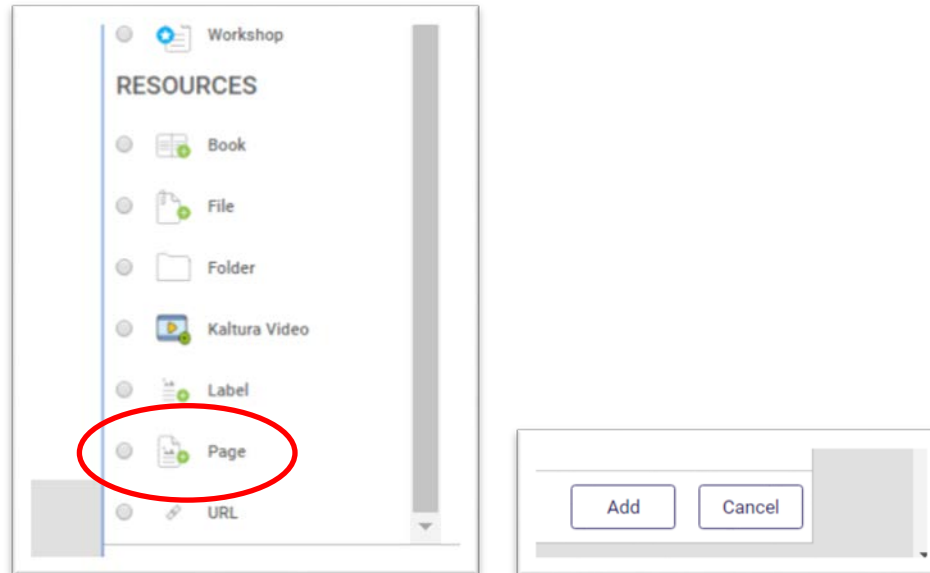

To add Films on Demand videos in Moodle's "Snap" theme:

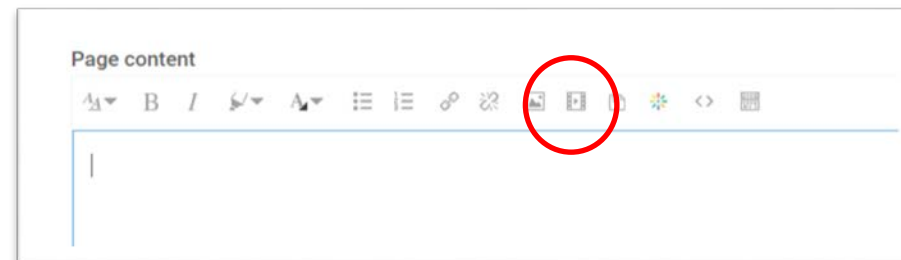

1. In the section in which you would like to add the video, select "Create Learning Activity."

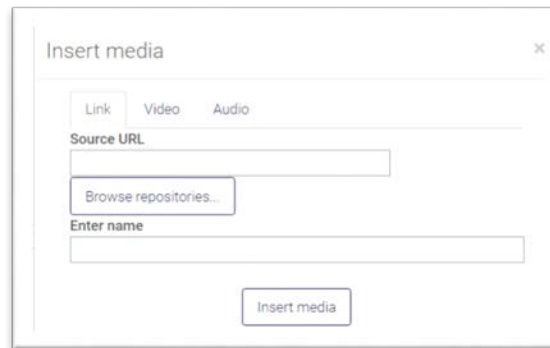

2. Select "Page" from the Resources list, and select the "Add" button.

3. Give the page a name, and then select the "Media" option in the Page Content editor.

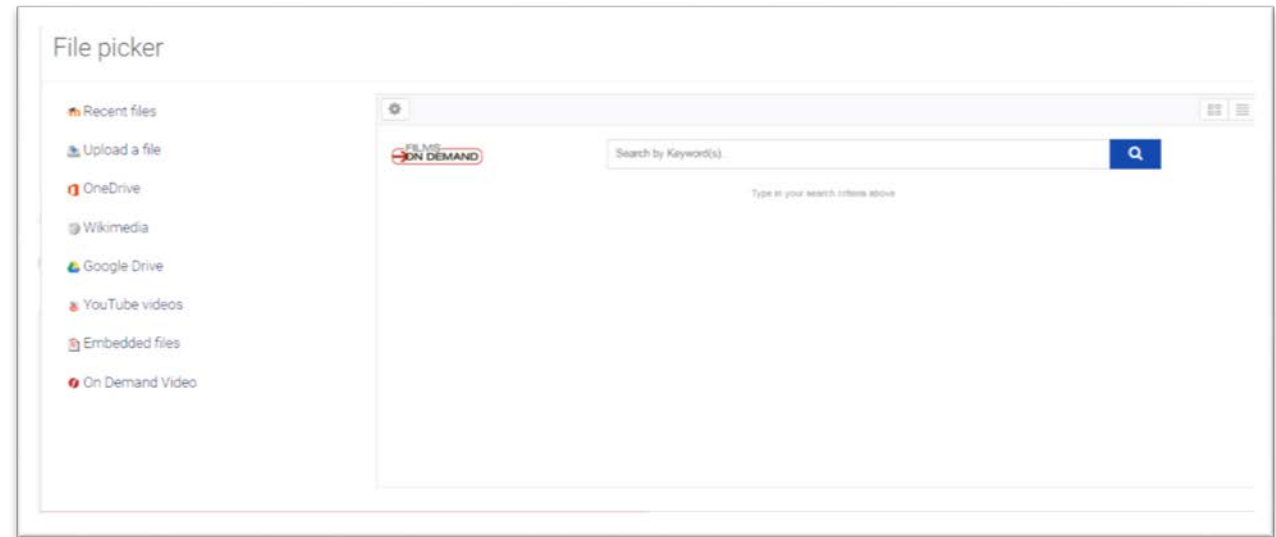

4. Select “Browse Repositories...”

The 'Insert media' dialog box features three tabs: 'Link', 'Video', and 'Audio'. The 'Link' tab is selected. Below the tabs, there is a 'Source URL' text input field. A 'Browse repositories...' button is positioned below the 'Source URL' field. Underneath, there is an 'Enter name' text input field. At the bottom center of the dialog is an 'Insert media' button.

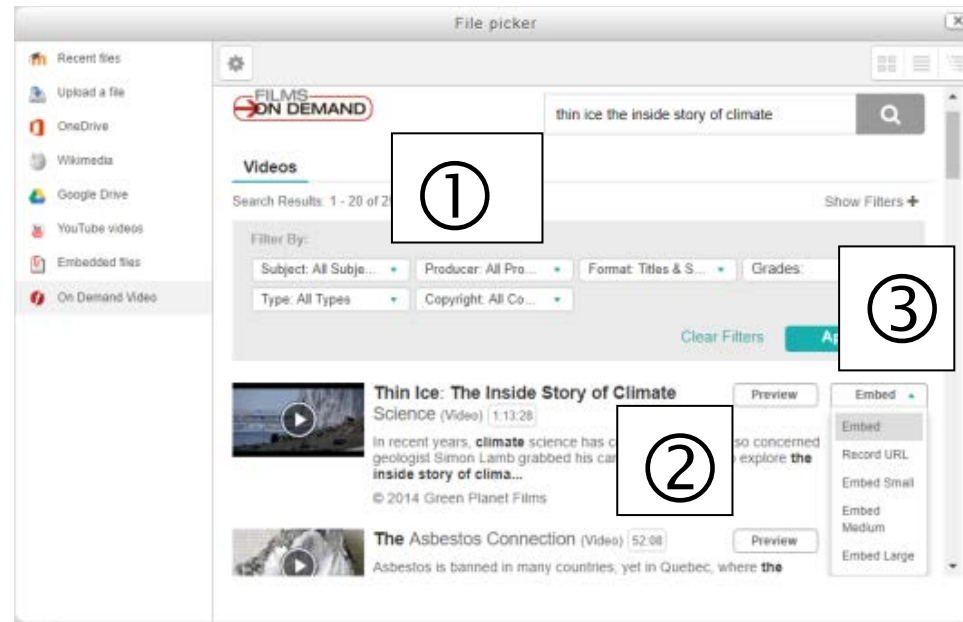

5. ...and then “On Demand Video.” You’ll see a search box for Films on Demand.

Search for your topic.

The 'File picker' interface shows a list of file sources on the left: 'Recent files', 'Upload a file', 'OneDrive', 'Wikimedia', 'Google Drive', 'YouTube videos', 'Embedded files', and 'On Demand Video'. The 'On Demand Video' option is highlighted. On the right, a search bar is visible with the text 'FILMS ON DEMAND' and a search icon. Below the search bar, there is a placeholder text: 'Type in your search terms above'.

6. After you search, you can
(1) further narrow your search
(2) preview videos
(3) embed videos – Clark Library recommends the “Embed Small” option.

7. When you're ready to embed a video, select
“Embed Small” and then “Select this file.”

8. Select the “Insert Media” button. Save your work, and your video is now linked.
